

TRAVEL TIPS

Travel is so much easier when you have the right essentials. These are my go-to personal hygiene and tech favorites that keep me organized, efficient, and stress-free on every trip. From smart packing solutions to simple security upgrades, each item is something I personally use and trust.

Before you pack, make sure you have the **CORRECT BAG** based on destination:

Not checking a bag is one of my biggest travel hacks—fewer lines, less hassle, and more time actually enjoying your trip.

Below are **FIVE BAG OPTIONS** I recommend, depending on how you travel and what you need to pack.

1. **Suction Backpack:**
